This is not your grandmother's scrap caddy. Embellish as traditional or as wild as you like. I used feathers to decorate the top edge of my cone but you can use your imagination. These make great gifts for your friends that Scrap Book too!

**Supply List:**

Book Suggest but not required: Quilts for Ice Cream Lovers by Janet Jones Worley

Basic sewing supplies

3 fat quarters

2 tiles 3" x 8" Directions are for this size. *I bought mine at Home Depot for \$1.48 each. Approximate sizes are fine. One of the tiles I found was 1/2" thick so I only needed one. The only reason you need 2 tiles is for the weight.*

Scrap of cotton low loft batting large enough to wrap around tiles.

1 bead tassel 2 1/2" or 3" long.

Scraps of decorative yarns, threads, ribbons, trims, beads, sequins....anything that can be sewn or glued down that looks good on your fat quarters.

1 spool invisible thread, I recommend Superior Threads MonoPoly.

Appliqué hand needle for sewing on beads.

Light colored sewing thread

Free-Motion foot.

1/4" foot

Zig-Zag Foot or any foot you want for couching and the decorative stitches.

Piecing thread.

Basic sewing supplies.

20" x width of Freezer Paper

20" x width of Iron-on or Tear Away Stabilizer (stiff works best to hold cone shape)

1 pkg. boning or 1 yd....Easy to find at fabric stores but not quilt stores.

6" Velcro

Fast drying glue or glue gun *optional for embellishing.*
